# ABOUT US

With an experience and expertise of nearly four decades since 1983, Mangalam Dyechem Pvt Ltd. is firmly committed to provide fine products enhanced with constant innovations.

Mangalam remains agile within a constantly changing environment and serve best products used for manufacturing. Chemical industry is continuously experiencing new innovations, supply chain methods, Customer Satisfaction, combined to create an environment leading to lot of opportunities

We are continuously innovating by broadening and balancing our portfolio, diversifying into new products that show potential, while also fully capturing opportunities for our products.

We believe in creating long term destination for our business and partners by creating a roadmap for winning together. We have a fully equipped modern laboratory staffed by dedicated, highly qualified and experienced scientists

Mangalam Dyechem is a consumer centric company committed to quality and innovation. For decades, we have been pioneering products for small to large applications, at home and industry, which have forged strong bonds with people from all walks of life. Our strength lies in providing quality and prompt service to the customers and in doing so, no efforts are spared. We develop new products, maintain its quality and are always eager to upgrade them. We also provide customized products to suit the need of the customers. Customer's satisfaction is held above everything else.

## RIGID BOX BINDING JELLY GLUE ADHESIVES :

We bring you one of the finest Animal Gelatin and Non Animal based Jelly Glue Adhesives;

FIXOL manufactured by a 39 year old company MANGALAM DYECHEM PRIVATE LIMITED, NOIDA. (SINCE-1983)

FIXOL is based on renewable raw materials and jelly glued consisting primarily of protein and other quality additives giving it its required properties.

The components of the formulation are virtually 100% biodegradable. No negative effects, either economic or ecological on the recycling of paper or cardboard. "Stickies" are not formed.

## Why Use FIXOL JELLY GLUES?

- Non Animal based Jelly Gules.
- Animal Gelatin based Jelly Gules.
- No added fillers to prevent fungus forming.
- Certified for No HEAVY METALS FOR RoHS DIRECTIVE 2011/65/EU.

## BECAUSE IT IS A NATURAL ADHESIVE WHAT ELSE!

**Fixol has formulated best regret free non animal based and Animal Gelatin Based Jelly Gules by it's innovation.**

- Adapted to the all latest machine generations.
- Simple and clean application even with high work cycles
- Universal application – even in extreme climatic conditions

## PRODUCT DETAILS : **NON ANIMAL EVA JELLY GLUE**

Product Code	Description
<b>M-5</b>	<p>High Strength Jelly Glue adhesive for rigid box making for High Speed Machines with moderate viscosity and fast setting.</p> <p>No Added Fungus Forming Fillers.</p>
<b>M-2</b>	<p>Standard Jelly glue adhesive for rigid box making with high open time and good setting for Semi-automatic Machines.</p> <p>No Added Fungus Forming Fillers.</p>

## PRODUCT DETAILS : **ANIMAL GELATIN BASED JELLY GLUE**

Product Code	Description
<b>JM-22</b>	<p>High Strength Jelly Glue adhesive for rigid box making with low open time and fast setting for Fully automatic Machines.</p> <p>No Added Fungus Forming Fillers.</p>
<b>JM-11</b>	<p>High Quality Jelly Glue adhesive for rigid box making with high open time and good setting for Semi-automatic Machines.</p> <p>No Added Fungus Forming Fillers.</p>

# PRODUCT DETAILS : ANIMAL GELATIN BASED JELLY GLUE

Product Code	Description
<b>JM-02</b>  (Formerly Known as JM-7002)	Standard Jelly glue adhesive for rigid box making with high open time and good setting for Pasting Applications.  No Added Fungus Forming Fillers.
<b>S-2</b>	High Strength Extra Hard adhesive for rigid box making with low open time and fast setting.  No Added Fungus Forming Fillers.
<b>S-5</b>	High performance Extra Hard adhesive for rigid box making with high open time and good setting.  No Added Fungus Forming Fillers.
<b>JM-1101</b>	Standard adhesive for rigid box making with moderate open time and good setting.  No Added Fungus Forming Fillers.

**PACKING : 2.5kg Each Cake & 25kg Carton.**
